As I write this in the middle of the "Icepocalypse," I'm happy to hear that the large rodent who resides in District 14-J has predicted an early spring. That said, we hear there is another snow event on the horizon for this coming weekend, and we can't have a February State Council Meeting without snow. I understand it's not permitted. In any case, whether Spring comes early or late, we must move forward with our Lions activities. As we thaw out, it's time to get into the Spring project season and begin to make plans for the next Lions year. Though it's only February, now is the time when things like elections, budgets and so forth should be coming up.

Even though it's cold out and things tend to move slowly in the cold, that doesn't mean that great things don't happen in the world of Lionism. I'd like to congratulate two District 14-G clubs for receiving sizable grants last month to further their community service efforts. The Wells-Jackson Lions Club has received a grant to start a Lions ALERT program in their community, and this will be the first endeavor of this type in our District. Additionally, the Sugar Valley Lions Club has received a grant to make improvements on their community recreation park. I wish both clubs the best in their endeavors.

By now, every club should have received your District Convention registration packets. I know that Lion Charlie Poust and his committee have been putting a lot of effort into planning the convention, and I assure you that you will find attending it a most enjoyable and enriching experience. We're all very excited to host International Director Sonja Pulley as well and give her a warm District 14-G welcome. I do encourage everyone who is able to attend.

Finally, I'd like to mention the Club Excellence Program. Several Lions from District 14-G attended training to become facilitators for this program, which is designed to assist clubs in excelling in their communities. The goal of the program is to take our already good clubs and make them outstanding in the world of Lionism. If any club is interested in hearing more or arranging a CEP workshop, please contact First VDG Bud Harris, Second VDG CJ Keener or myself and we'll certainly help arrange a facilitator. Keep up the good work, have pride in what you do, and remember that we are all Beacons of Hope to those in need!

Yours In Lionism,
DG Bo

Welcome to snow and cold. This has been a long stretch of winter and I am looking forward to spring. Along with spring comes the District 14-G convention. This year it is being held at the State College Ramada Inn. The seminars start at 9 am on Saturday April 9, 2011. The seminar list is attached to this newsletter.

We are offering seminars on most of the lion's topics and a few for general interest. Eric Berger from Leader Dog will be presenting a seminar. There will also be a hearing seminar, and a diabetes awareness seminar, and for the ladies a trash to treasurers seminar.

I would like as many incoming officers to attend the president and treasurers seminar. Also we are holding a separate seminar for secretaries to explain how to use the International WMMR site and the activities part of reporting. I have e-mailed a letter to all secretaries with e-mail, and will be snail-mailing the letter to those secretaries without email asking all clubs to consider an assistant secretary to help with the internet reporting and to give the club continuity for the future. Clubs should look at having future leaders trained to have a smooth continuity of the club functions.

I am still hoping to have clubs contact me to hold a club orientation for prospective new members. We have a few clubs that have had a recruiting drive, invited me to do the presentation and have gained new members. This isn't hard to do just ask. I am glad to help any club with the membership process if they ask.

Keener Thoughts: Here are some ideas for February 2011 to “whet your Lions Edge for a Keener cut”.

Don't give a Tri-Axle Coalbucket's (Big Coal Truck) Load of information, when a Wheel barrow full will do! So here is a condensed version of K-Thoughts:

- A. Check out Lions Quarterly - <http://www.lionsclubs.org/EN/Inn/lq-view.php?id=19>

Especially the <http://www.lionsclubs.org/EN/Inn/lq-view.php?id=19&seg=3> on ***B O L D Racing In Wisconsin***. *I'll know you will have seen it, when I see the smile on your face* !!!!!

- B. If you think computers, in Lionism, are going away, then protect your sanity by identifying club members who are computer savvy and can assist veteran Lions utilize this tool of the current times. This is especially helpful in successfully completing vital club tasks such as Secretary and Treasurer.
- C. Plan on attending the **Great** District 14-G Convention to be held in Centre County on April 9 & 10.

If you are an incoming Club President, fully participate in the convention and learn **ALL** that being **THE** Club President means. A convention team chaired Charlie Poust has spent months working to make this event a Roaring Lions Success. Our VDG 1, Bud Harris has planned a super set of seminars that will inspire every officer in your team of leadership for the 2011-12 year, so load up, and gas up, the old flivver and drive on over to 1450 South Atherton St, State College, PA.

Full details are at <http://www.lions14g.org/docs/2011ConventionPacket.pdf>

- D. Several of your fellow 14 G Lions attended a training session in early January regarding the new Lions Club International Club Excellence Process. *Who do you know that wants to join an organization that is not “Excellent”??* This experience will enable **your** Lions Club be the best in your area.

See: <http://www.lionsclubs.org/EN/common/convention/files/CEP-3.pdf> for a few details from LCI

Finally -Now is time to consider attending this year's PA State Convention in Cranberry Woods, Butler County. Full details are at: <http://www.palions.org/pdfs/State%20convention%20for%20web.pdf>. The Cranberry Township location is at the intersection of the PA Turnpike, US 19 and I-79. It is approx. 40 miles south of milepost 19 on I-80 (Jct I-80 and I-79). Your Club's votes are essential for the progress of our PID Dr. Harold “Otter” Ott's quest for the Second International Vice Presidency of LCI. *I personally lived in Butler County from 1980 to 1996, and it is really not “that far” away.*

It is indeed much closer than the 2011 LCI Convention in Seattle, WA: <http://www.lionsclubs.org/EN/news-and-events/international-convention/index.php> and the 2011 USA/Canada Leadership Forum in Anchorage AK: <https://usacanadalionsforum.org/>

Remember to share this Lions Tale with all Lions in your club - either by computer, or *print and share a hard copy.*

There are still “side boards” on the wheel barrow!!!! C J Keener, 2VDG 14-G

This year's grand prize-winning poster was created by Raj Phairembam, an 11-year-old boy from Moirang, Manipur, India. At this year's international level of judging, 35 members of the art, education, media, peace and youth communities gathered at the Loyola University Museum of Art in Chicago, Illinois, where they used the contest criteria to narrow down 120 posters to 23 merit winners and one grand prize winner. Many judges expressed how honored they were to take on this task and how difficult it was to narrow down the posters from a collection of so many wonderful images

Berwick Lions Club hosts LEO member and her mom at a recent meeting. Left to right are President Sue Younker, LEO Jennifer Yeastedt and Peggy Yeastedt. The Leo members are invited to learn more about Lionism at a regular meeting. The Lions club meets the 2nd & 4th Tuesday of each month at the Maria Assunta in Berwick.

“It’s hard to catch the cow after it is out of the barn”, or some such old saying relates to **Retention**. It is hard to **retain** a Lion *after she/he has left the club*. It is much easier to fully “vest” the Lion in what we do and represent when they first join, than trying to keep them after we have done all we can to “discourage, chastise, and dis-inspire them out the door” !!!

Our State Retention Chair, PDG Edward Gursky, recently provided a great idea that I share *with a few localizations*.

From PDG ED: “How many PROUD LIONS have been honored in your club this year? How many PROUD SPONSOR awards have been presented in your club this year? The PROUD LION and PROUD SPONSOR PROGRAM is an outstanding and effective MEMBERSHIP, RETENTION and ORIENTATION tool that can be implemented and utilized at the Club level.

The Award Pins and Certificates are available from the State Office through our District Gov. Bo Miller and will produce a large dividend with increased membership and outstanding Lions, and Lions Clubs. *There is no cost to local clubs, except for notifying 14-G Gov. Bo !!!*

Implement the program when inducting a new Lion. Make the program a part of the ceremony. Present both the new LION and the SPONSOR their task tracking cards. Club Secretaries are a part of the process since they will need to submit the completed task tracking card to our 14G Gov Bo within 6 months. All involved should **Follow up** to make sure that the NEW LION, SPONSOR and especially the CLUB SECRETARY do not forget to complete their tasks and submit the paperwork.

PDG Ed was upset that he was not afforded the opportunity to become a PROUD LION. But, he had the opportunity to earn a PROUD SPONSOR award and he wears his pin with pride. *How many of us can say that?* Take the opportunity to become a PROUD SPONSOR. *& Thanks PDG Ed !!!*

In today’s “health world”, we are hearing much about “Preventative Care”. The Proud Lion / Sponsor Awards are Preventative Care for all of our valued Lions Membership. Let’s RETAIN LIONS and continue to Build the Pride of our Fun Loving 14G Lions with the Beacon of Hope brightly lit in our “Great” 12 county 14-G.
