Would you, or your club, or a PDG be interested in having an advertisement/notice in the 2011-2012 District Directory? Clubs, you can advertise your major fund-raisers for the year and/or any special dates. Provide the advertisement on an 8 ½ x 11 page and it will be reduced to 4 x 7 full page for \$20; half page rate is \$10 and quarter page is \$5. Keep the font simple and large enough to be read when reduced. **Lion's information only will be accepted.** Please send your advertisement and payment to DG Elect Bud Harris by July 10, 2011. The directory will hopefully go the printer the week of the July 11.

Going last to first this month...

Dear Fellow Lions,
As a newly elected 2nd Vice District Governor, this is my first time contributing to the District 14-G newsletter.

I'm looking forward to serving this district in any way that will help our District Governor "Bud" to achieve his goals for his year.

I'm also looking forward to meeting lions from throughout the 14-G area and making new friends.

By working together in Lionism, we can accomplish much more than we could individually, so let's work together to make this a wonderful year for all involved.

Yours in Lions,

Gary K. Strauch, Second Vice Governor

Keener Thoughts: Here are some ideas for June 2011 to "whet your Lions Edge for a Keener cut".

Last month, I happily reported that Lion Otter (PID Harold Ott) stood and shared with the Harris Twp. Lions Club at its 2011 Charter Night. By now you may have learned that PID Harold WALKED into the PA MD 14 State Convention May 21, Saturday night President's Dinner. There were many "reddened hands" from the *LOUD* applause, and reddened eyes from the tears of both sorrow that the tragic time of the recent past, and thankfulness that **The Otter is WITH US, IN PERSON**. Your prayers and kind notes of encouragement, from ALL around our world as we know it, ARE deeply appreciated by our esteemed HTLC Lions, Barb & **The Otter**.

Your 14-G 2011 Convention Team thanks everyone who helped make the Convention Support Raffle a real success - especially the VERY few clubs that amazingly returned ALL of their unsold tickets. One of our few 14-G clubs that chose to not participate, & *not from the "California Coast"* - *if you get the "drift of my Ocean Current"*, returned THREE WINNERS - *that all became "winners for the District"*. Super Job: Lion Dave, raffle chair.

Do you remember what the four MANDATORY officer positions are when forming a Lions Club? They remain the four leadership positions that are reported to LCI every year on the famous PU 101 - Long PAST DUE, if you have not submitted yours. They are President, Secretary, Treasurer, and ??????. The manual for this sometimes mystery office is ME 44. Did you remember Membership Chair ???

Does your club use the recommended "three member membership committee"? Or, do you "stick" the outgoing president (poor sucker !) with this dreadful job, and then wonder **why**, as your members "*season*", or "*mature*", your club is more inclined, for example, to send a check to Beacon Lodge, than send "Lions Power" for a work day? Me 44 has lots of great ideas for membership A-C-T-I-O-N, and should be reviewed by any active, alive Lion who is serving in any Club Leadership Role. Remember, every one of us has been given the privilege to become a Lion because someone was willing, and hopefully eager, to sponsor us. In some cases we may have been an "easy sell", but no one can become a Lion without a Sponsor.

Why be greedy and fail to offer the great Opportunity and Privilege of Lions Membership to all who survive the screening process outlined on page 9 of ME 44. Remember YOU met those "Screening Standard", or else you would not be reading this !!!!! Earn your next Membership Key, Today!

Another great resource is TK-26 –*The Charter Night Guide*. This booklet is primarily designed for the charter night that installs a new club. However, it can provide a much needed interjection of new ideas into our annual charter nights.

Seeking our own local Beacon of Hope, page 8 of the Jan-Mar *PA Lions Pride* magazine has the registration for our Beacon Lodge PA Lions Appreciation Day – Sat., July 17, 2011 – Celebrating 63 Years of *Special Services Camping* for Children AND Adults. \$8, received by July 8, reserves a ticket for the fantastic Chicken BBQ dinner. Make your club's traveling plans TOMORROW!, and come see what Beacon Lodge has become since the last time you were there, if you ever were!!! Find Beacon Lodge in Wayne Twp, Mifflin Co. – mail address Mt. Union, PA.

Note that the *Beacon Lodge "500 Club"* funds are used ONLY for maintenance – after 63 years WE ALL NEED some of that! Our own Lion Jim Crawley, Pres. of the B L Bd of Drtrs proudly stated at the recent 2VDG orientation that our 14-G ranked SECOND in the Oct 1, 2010 – June 3, 2011 "B C 500 Club", with \$4525 out of the \$26,134 PROPERLY contributed Commonwealth-wide. Club Presidents and Secretaries – be SURE your "500 Club" funds are PROPERLY submitted using the provided 14-G "500 Club" form, payable "Beacon Lodge 500 Club", AND that a list of "500 hitters" is included (hopefully that is your club's entire roster) – *otherwise the funds go into the general fund!* Send to PDG Bill Bryan – our Designated "500 Club Catcher". That's 9 innings! **cjk 1VDGE 14-G**

The end of this Lions year is in sight. Has your club met the goals set last July?? Some of you have, some have come close, and some did not set goals. This is a time for reflection and evaluation. You get to start all over on July 1, 2011. I have set goals for the district and hope you view them as goals to serve you for the coming Lion's year. Incoming president Tam has "I Believe" as his theme and I hope we all "Believe" that we can have a fun and a successful Lions year in 2011-2012. I have community project and membership drive plans that will be presented to you in July. We all need to "Believe" that we are the strongest service club in the world and especially in our District. We should be proud of what we do and let everyone know that we did something for those less fortunate than ourselves.

I want to thank the individuals who have agreed to serve the district on the District Cabinet for 2011-2012. I still need Region 1 zone A and B, Region 2 zone C, Region 3 zone A and B, Region 4 zone B, and Region 5 zone B. We have had dedicated Lions who have served for many years in these positions and I would like someone new to step up and serve your fellow Lions. Those who were leaders in your club can help lead your district for the next lion's year. I will be visiting some clubs this month to ask for your help.

You will find Lion Krista Rodgers (the new newsletter editor) contact information in this newsletter. Please send all newsletter information to her for next year as well as activities that you want in the

newsletter. Also please send Lion Sue Younker photos and articles on your projects so we can get Media and Pride articles published. I would like to thank Sharon Cawley for all the time and effort over the past years that she has dedicated to our Lions District. Thanks Sharon!

I will be at the International Convention until July 9; so, please send July newsletter information to Krista Rogers and MMR and Activity reports for June to Gloria Weaver (addresses found elsewhere in this newsletter) while VDG Jim and I are in Seattle.

Let's plan on having a fun and great 2011-2012.

District Governor Elect Bud

Everything that has a beginning has an end, and everything that has an end has a new beginning. This will be my last article as your District Governor. In about a month, District Governor Elect Bud will take the helm of District 14-G, and I know he has big things planned. I encourage you all to give Bud and his leadership team your full support over the coming year, just as you have supported me over the past twelve months.

In the past year, we've seen many wonderful things happen here in District 14-G. We've engaged in the Global Service Action Campaigns concentrating on Youth, Vision, Hunger and the Environment along with Lions Clubs in 207 nations. We've made great strides to work to strengthen our clubs, and have introduced the Club Excellence Program.

I'm certain that this will be a centerpiece of DGE Bud's program next year as well. We had a wonderful District Convention with our speaker and special guest International Director Sunny Pulley. Our clubs have truly been Beacons of Hope to those in need.

I'd like to thank the Lions, Lionesses and Leos of District 14-G for giving me this opportunity to serve as your District Governor. It's been an honor and a privilege. It is my hope that I've been able to leave a positive impact over the past year, and that we've gained some momentum in the spirit of Lionism that will last well into the future.

I know that we've all worked hard and will continue to work hard to make the world around us a better place to live. Despite the incredibly busy schedule, this has truly been one of the most enjoyable experiences I've ever had, and I highly recommend it to anyone who may be so inclined. As your Global Leadership Team District Coordinator next year, rest assured that I will continue to promote the virtues of becoming and remaining a Lions leader.

In closing, I'd like to offer my best wishes to DGE Bud as well as VDG Elects Jim and Gary. I know the District is in good hands, and I look forward to hearing more about the International Program entitled "I Believe."

The History Of Flag Day

The Fourth of July was traditionally celebrated as America's birthday, but the idea of an annual day specifically celebrating the Flag is believed to have first originated in 1885. BJ Cigrand, a schoolteacher, arranged for the pupils in the Fredonia, Wisconsin Public School, District 6, to observe June 14 (the 108th anniversary of the official adoption of The Stars and Stripes) as 'Flag Birthday'. In numerous magazines and newspaper articles and public addresses over the following years, Cigrand continued to enthusiastically advocate the observance of June 14 as 'Flag Birthday', or 'Flag Day'.

On June 14, 1889, George Balch, a kindergarten teacher in New York City, planned appropriate ceremonies for the children of his school, and his idea of observing Flag Day was later adopted by the State Board of Education of New York. On June 14, 1891, the Betsy Ross House in Philadelphia held a Flag Day celebration, and on June 14 of the following year, the New York Society of the Sons of the Revolution, celebrated Flag Day.

Following the suggestion of Colonel J Granville Leach (at the time historian of the Pennsylvania Society of the Sons of the Revolution), the Pennsylvania Society of Colonial Dames of America on April 25, 1893 adopted a resolution requesting the mayor of Philadelphia and all others in authority and all private citizens to display the Flag on June 14th. Leach went on to recommend that thereafter the day be known as 'Flag Day', and on that day, school children be assembled for appropriate exercises, with each child being given a small Flag.

Two weeks later on May 8th, the Board of Managers of the Pennsylvania Society of Sons of the Revolution unanimously endorsed the action of the Pennsylvania Society of Colonial Dames. As a result of the resolution, Dr. Edward Brooks, then Superintendent of Public Schools of Philadelphia, directed that Flag Day exercises be held on June 14, 1893 in Independence Square. School children were assembled, each carrying a small Flag, and patriotic songs were sung and addresses delivered.

In 1894, the governor of New York directed that on June 14 the Flag be displayed on all public buildings. With BJ Cigrand and Leroy Van Horn as the moving spirits, the Illinois organization, known as the American Flag Day Association, was organized for the purpose of promoting the holding of Flag Day exercises. On June 14th, 1894, under the auspices of this association, the first general public school children's celebration of Flag Day

in Chicago was held in Douglas, Garfield, Humboldt, Lincoln, and Washington Parks, with more than 300,000 children participating. Adults, too, participated in patriotic programs. Franklin K. Lane, Secretary of the Interior, delivered a 1914 Flag Day address in which he repeated words he said the flag had spoken to him that morning: "I am what you make me; nothing more. I swing before your eyes as a bright gleam of color, a symbol of yourself."

Inspired by these three decades of state and local celebrations, Flag Day - the anniversary of the Flag Resolution of 1777 - was officially *established* by the Proclamation of President Woodrow Wilson on May 30th, 1916. While Flag Day was celebrated in various communities for years after Wilson's proclamation, it was not until August 3rd, 1949, that President Truman signed an Act of Congress designating **June 14th** of each year as **National Flag Day**.
